Classes do not meet during Study Days with the exception of the final exam for Thursday night classes.

All major reports and assignments should be scheduled to be completed before Study Days.

Study Days are not to be used as dates on which papers are to be turned in, examinations are to be given, quizzes are to be scheduled, mandatory review sessions are to be held, or for any other class-related activities, other than office hours. Faculty may conduct voluntary review sessions at which no new material is presented on these days.

Final examinations given during the Final Exam Schedule must be given on the dates and at the times when they are scheduled. Unless otherwise noted, exams will take place in the same classroom where the class has been scheduled over the semester.

Departure from the Final Exam Schedule can be authorized only by the Dean of the respective school.
